

Educator

Position

Reporting to and in partnership with the Education Director, the educator is a 35 hour position teaching garden and environmental education programs for public school groups and partner organizations, delivering our programming to diverse communities.

Key Responsibilities

- Lead weekly culinary and garden lessons at the Decatur Housing Authority and teach as needed at the Wylde Center, in City Schools of Decatur, and at other schools around Atlanta.
- Assist with education department programs as needed, including environmental education, break camps, and public events.
- Develop curriculum for classes with the education team.

Minimum Qualifications

- Knowledge of gardening and environmental education, and able to practically instruct students on these topics.
- Able to work outside to facilitate hands-on farm to school programming and environmental science programming when needed.
- Experience developing and delivering garden and science-based curriculum; previous experience working with at-risk urban communities and leading Farm to School programs preferred; experience with Georgia Performance Standards/Common Core a plus.
- Must enjoy working with youth and adults.

Additional Information

- Physical demands are minimal and typical of similar jobs; may be required to move materials weighing up to 25 pounds.
- Hourly rate commensurate with experience

Start Date: Immediate

Application Information: Interested applicants should submit a cover letter, resume, and references to Allison Ericson at allison@wyldecenter.org. Resumes will be accepted until the position has been filled.

Organization

Founded in 1997, the Wylde Center's mission is to educate, cultivate greenspaces, and build community in the areas we serve. This is accomplished through educational programs, events, and greenspaces that actively engage youth, families, and individuals For more information, see wyldecenter.org.
